Most Activity on Pearl Since MTF Construction

Bustling rocket activity at the National Aeronautics and Space Administration's Mississippi Test Facility is creating traffic on the historic Pearl River that rivals the days when the legendary Jean Lafitte's pirate ships were churning these Gulf Coast waters.

The tranquility of the "peaceful" Pearl River has been broken once again with the echoes of chugging tugboats pushing barges with rocket stages, propellants, and test equipment used in the captive firing and checkout of the Apollo/Saturn V moon rocket.

During the month of November, traffic has been extremely heavy on the waters around the NASA Marshall Space Flight Center's Hancock County rocket site. Natives, fishing for the "green trout" and "spec's" that abound in the Pearl and its bayous, have watched the procession of rockets and associated equipment with interest-- and sometimes with a little aggravation.

Ben I. Scruggs, NASA-MTF Transportation Officer said of the heavy water traffic:

TRAFFIC ON U.S. 90 appeared to be going 'every-which-a-way' after opening of newly completed south lanes Monday afternoon. North, or westbound lane is to remain closed to traffic until third 12 and one-half foot wide lane is completed on or around Jan. 20, pending weather conditions.

Board Not Opposed

To Stock Election

Hancock County board of supervisors were on record Monday as not being opposed to a change in the local stock law.

The motion, unanimously passed in the form of a resolution, was made after discussion revealed that prior to calling an election on the issue, a petition with names of 20 percent of qualified voters in precincts outside of the municipalities of Bay St. Louis and Waveland must be submitted to the board.

In Wrong Car**

As roadblocks were set up at all points Saturday morning, the subject of the manhunt innocently drove past the scene of the 'crime'.

The embarrassed Bay St. Louis motel resident unwittingly got into an automobile belonging to Hardin Shattuck, which was parked near his own on Main Street around 11 a.m. He then drove calmly to Casanova's Auto Parts where he purchased necessities for his car and proceeded back down Main.

Shattuck's vehicle was located shortly afterwards parked outside of the man's motel room on U.S. 90. After profuse apologies were accepted, no charges were filed.

In Memoriam

(Birthday)

To Ralph, On his B.D. Nov. 1 Nov. 20.

This day one year you
went to rest,
Your spirit left the fatal day
You could not say good-bye
Just when his days seemed
brightest.
Just when his hopes seemed
best,
God called him from among us
To his eternal rest on that fatal day.
Parting with him is hard to bear,
But God knows best.

Re-elects Officers

In memory of Mrs. Cecilia Ramond, who died Nov. 19, 1967. Way upon heaven, a vacant chair God needed you; so he seated you there. We needed you badly but He needed you more. So he bade his angels to open the door. And when up in heaven we see a bright star, that's how we know, dear where you are.

Teen Times

Due to circumstances quite beyond our control, Teen Times didn't make the paper for three straight weeks leaving us lacking in details of a number of important happenings. Fortunately all homecomings, except that of North Central have pretty well been covered on sports pages and if all goes well, the Hawks will have their inning this week, so we won't attempt to go into further details on those affairs.

'CITY' school students enjoyed double holidays last week. They were out of classes Tuesday due to the school bond election and again on Friday because it was All Saints Day. The only pupils in classrooms were Stanislaus students who were in the throes of exams.

Cheryl Nybo received her 200 hour cap at the last meeting of Hancock General Candy Stripers.

Bay High Junior chorus under direction of Mrs. Richard Ford boasts 113 students. Auditions have been held for places in the small vocal groups. Doug Williams, president of the Chorus Club; Terry Waite, Mark Lauderdale and Phillip Mieczynski make up the boys' quartet. Sharon McKenna, Lisa White, Dianne Raymond, Laurin Allain, Kathy Kirkland and Susan Dearing are members of the girls' ensemble and the mixed ensemble is composed of Theresa Jones, Marty Autrey, Katie Smith, Serena Bernhard, Cathy Evans, Eileen Howe, Steve Kirkland, Billy McLaurin, Hector Gonzales, Wade Stevens, Mike Evans and Dennis Kirkwood.

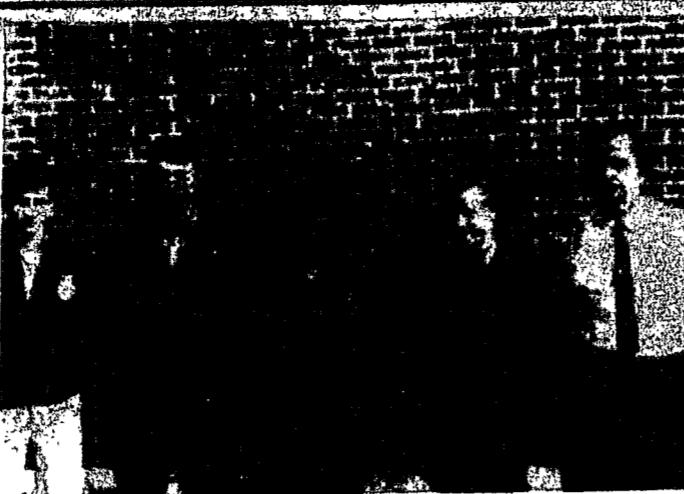

Betty Cusvas was elected president of the new Forget-Me-Not 4-H Club. Ann Murtough is secretary; Cyndy Skrutz, reporter; Alice Zengarino, recreation leader; Barbara Marochino, song leader; Joy Thomas, devotional leader and Debbie Guest, program leader. Their next project is for each members to make Christmas dress for herself.

UNICEF trick or treaters did a great job of collecting on Halloween night. The boys and girls came in with a total of 912.

MAMES, LLOYD GRIFFITH, Leo W. Seal, Sr. and C.C. McDonald, Sr. discuss plans for the open house to stimulate interest in and benefit City-County Memorial Library, to be held Dec. 7-8 at Yasume, home of Col. and Mrs. James C. Pilat.

ONLY A FEW years ago covering any given function was quite easy because we were certain to know the names and faces of just about everyone present -- and if there happened to be an unfamiliar face, someone nearby would hasten to introduce the "stranger". Now, all of a sudden much to our chagrin, we're realizing that there are large numbers of people we haven't met, and due to the fact that more newcomers are arriving almost daily, remedying the situation won't be easy, especially as we're spending a good many more hours in the office than we did in the past.

WE HAVE SEVERAL excellent correspondents including Claire Mitchell in Kiln; Brenda Anderson, Pearlington; Cecile Turcotte, Waveland and hope soon to announce the name of our new Clermont-Harbor-Lakeshore reporter. We hope that everyone in these areas will call their local writer whenever they have news; and of course everyone in the Bay area knows to call Inez Favre, our society and general news editor; but we still want to meet all newcomers, and any residents of longer duration that we may have missed in our comings and goings -- but if it isn't practical for you to drop in at the Echo office, just write or phone in news of any type, because the Echo is your paper and it's what YOU are doing that is of interest to our readers.

THE EVENT THAT prompted us to write the above was last Thursday night's big card party and fashion show at St. Joseph Academy gym. It was a lovely affair and everyone cohered and sahred over the holiday fashions modeled by Myrl Haas, Carol Anderson, Gloria Battalora, Mrs. A.J. Chapman, Marie Gordon, Cathy Carter, Irene Thomas, Cheryl Thomas, Cindy Thomas, Pat Semmens, Laurie Baxter, Cindy Wolfe, Mike Haas, Dave Paranchik, Tom Fewell, John Wade, Diane Martholich and Bobby Fayad. Ollie McKenna was coordinator and Bob Wade, Pete Chapman, Ollie Hill and John McKenna escorted the ladies, and on a couple of occasions, the gentlemen also!

SOME WE DID KNOW included Pat Dickinson, Jill Gez, Inger Phillips, Rebecca Seal, Miss Ruth Cazenswe, Millie Church, Princess Fabey, Pinky Baxter, Alice Bourdin, Phyllis Seznecoux, Chick Cabel, Carol Martinovich, Ruth Griffin and her pretty daughter Martha; Caroline Kiefer, Nel Ducomb, Mary Alice and Joe Benvenuti and Joe's mother, Mrs. J.N. Benvenuti; Dorothy and Joe Marochino, Mrs. E.N. Spence, Edna Vassall, Faye Monti, Gloria Rosato, Sylvia Largay, Jackie Buffin and many, many others.

WINNERS IN THE recent Halloween benefit at Gulfview School were W. W. Housley -- he won the electric clock; Cissy Skinner, picture; Leola Stoufflet, plaque; a Mr. Bishop, German chocolate cake; Davy Richards, pillow cases; Bob Anderson, lazy susan; Tommy Bermond, 50 gallons of gas; P.G. Dupont, stuffed dog and Sue Sonier, sugar and cream set.

LEGAL SECRETARIES are once again selling that delicious candy to raise money for their annual scholarship fund. Anyone with a sweet tooth may contact Mary Katherine Moran, Ursula Favre, Sue Mallini or Violet Ladner.

MISS DINA HITT, Janet and Harold's pride and joy, will cut her first birthday cake today, Thursday, Nov. 21. Incidentally her parents are driving around in a great, big, new green station wagon.

OSWALD VILLEIRE must be feeling better. He's trying to make up his mind whether to take a trip to Las Vegas or stay at home and buy himself a new boat.

VIRGINIA LADNER is hoping to have the cast removed from her leg the week before Christmas.

LEE COSTER is recuperating from his third and we hope, last abdominal operation. The surgery was performed at Gulfport Memorial.

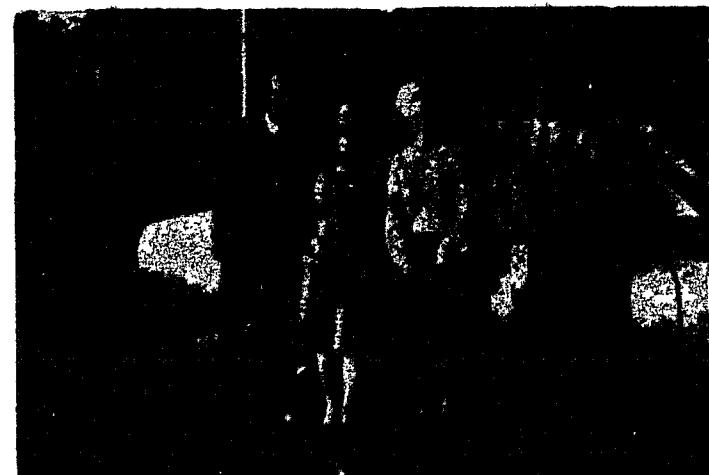

LILA GREENFIELD has returned from California and is making her home with her sister Jean Gish and husband Gordon. Gordon's brother, Franklin and wife of Cleveland, Ohio were their guests last weekend.

FORMER RESIDENTS Nell and Bob Dahlstrom, who now live in Washington, D. C., call Dorothy and Bud Thomas frequently and ask them to convey greetings to all of their local friends.

SUE (MRS. BOB) HARVEY gets a belated happy birthday wish. She celebrated on Wednesday, Nov. 12.

ANIMAL NOTES - Or maybe this should come under the heading of hunting news. Ernest Peillon killed one of the largest bobcats we've ever seen last week. He bagged the big one while hunting near Kiln. We had hoped to have a picture for all to view, but the flash attachment on our camera acted up and the negatives were too pale to develop.

RAMSEY'S

WILLIAM CAREY COLLEGE'S outstanding drama group, The Scrampore Players, recently held an election of officers. The students pictured above will serve in various capacities for the 1968-69 school year. Back row left to right: John (Skeeter) Garrett, business manager from Greenville, South Carolina; Gary Johnson, Selma, Alabama, president; John Toussel from New Orleans, second vice president; and Ken Johnson, social chairman, Miami, Florida. Center: Sue Breeden, secretary, from New Orleans; and Sandy Castleberry, Izmir, Turkey, publicity director. Front row left to right: Elzie Flowers, Foley, Alabama, public relations director; Deanna Johnson, social chairman, from Tampa, Florida; and Kay Dearing, first vice president, Bay St. Louis, Mississippi.

COMPLAINT DEPT. - Again it's those roving canines. Nellie Favre's buck rabbit is the latest victim. Nellie heard dogs barking in his yard in the wee morning hours and by the time he got outside, the cage was turned over and the rabbit had vanished. As everyone knows, we love dogs, but they should not be allowed to roam at will destroying the property of others.

ONCE AGAIN there were three big weekend affairs on the same night -- perhaps when we finally persuade all groups to take advantage of the free service Bay-Waveland Florist offers in a weekly calendar of events, there'll be less conflict in scheduling. To date only the Little Theater has sent in a complete list of dates of plays, etc. upcoming during the next few months.

THE CAST PARTY following the last performance of Stalag 17 was the first in years to be held in the Boardman Ave. playhouse and all who attended agreed that it was a great setting for the festivity. Some enjoying food and drinks galore included Emily and Rene de Monluzin, Lanette St. Andies and Pete Chapman, Jill and Gerald Gex, Caroline Kiefer and visiting son Jerry; Arline and Charles Kiefer, Bunny and Charles Tibbets, Jeanne and Andre Arceneau, Shirley and Hank Stockman, Betty Lou Nay, Mary Louise and John Stern, Leatrice and Leonard Rasmussen and others including a number of 'flower children'.

PHIL ALLISON should get the trouper of the year award as he refused to let fellow members of the cast down and went on with his role in Stalag 17 despite his grief over the passing of his father. Phil has not only our deepest sympathy, but also our equally deep admiration.

THE B A Y-WAVELAND Yacht Club Western barbecue and dance was the second swinging Saturday night happening and another of those great St. Clare's dances, the third.

THIS COMING SATURDAY will offer the double attraction of the Hancock County Fishing Rodeo Ball and the second annual Bay-Waveland Junior Auxiliary Cinderella Ball.

HOWEVER, times of court presentations should allow those wishing to enjoy both fêtes plenty of time to do so. Martha Griffin, the '67 rodeo queen will crown her successor shortly after 8 p.m. at St. Joseph Academy gym, and the Cinderella ball doesn't begin until 9 p.m. Fitting of the glass slipper and awarding of the fur stole took place around 11 last year, and we trust pretty much the same schedule will be followed at the second annual charity function.

RECENT BRIDEGROOM Joe Curran is due a get well wish having been injured in an automobile mishap the day after he and Betty returned from their Florida honeymoon.

RUTH AND FRED CURET, Marion and Russell Elliott and Nancy and Charlie Russ were among those from Hancock County attending the Governor's ball in Jackson Tuesday night.

BETTY AND FRANK KLEIN, JR. are driving around in a shiny new automobile.

E D N A KLEINFETER'S sports car isn't new, but it does boast a brand new paint job.

CELIA RAE AND JOE SCHARFF, the P.E. Porters and the Clarence Bateys are among those currently enjoying vacations.

JOAN AND RED GLASS also took off on another of their frequent trips, but they left before we could ask where they were going!

A very happy birthday wish goes to Frances Necaise who was honored at a party at the Ballentine St. home of her parents, Mr. and Mrs. Frank Necaise on Oct. 25. Enjoying her large birthday cake and punch were Mr. and Mrs. John Dougherty and children Lester, Susan, Patricia and Donnie; Mrs. Robert Seals and daughter Rhonda, Mrs. Pearlene Lander and grandchildren, John and Tommy Garcia; Mrs. Agnes Moran and daughter Diana; Mr. and George Green, Jr. and son Buster; Mary and Rosetta Daniels, James Bermond and Frances' sister Donna.

SIGHTS AND SOUNDS A LONG THE WAY - Weekenders once again taking to the beach as "summer" returned even if only temporarily, a small grey squirrel darting boldly across the street, yellow centered wild asters blooming in every vacant lot and the sound of night creatures becoming gradually more faint as winter approaches.

LAMAR-LANE SALESMAN J.C. KOENENN AND GERALD H. LADNER ARE SHOWN WITH GERALD'S NEW CHEVROLET.

Being a lifelong resident of this area I naturally wanted to do business at home. J.C. helped me pick out exactly the car I wanted and showed me how easily all the paper work relating to the purchase of my new car could be handled. I highly recommend J.C. Koenenn and Lamar-Lane Chevrolet to all of my friends who may be in the market for a new car or a good used car.

Three Reasons Why Modern Families
Should Graduate To
Flameless Electric Heat...

1. It's Clean
2. It's Dependable
3. It's Economical

Over three million Americans in all income brackets have turned to the unmatched satisfaction of flameless electric heat. There are five different electric heating systems from which to choose, and it's into a fraction of the space required by old-fashioned, flame-type heating systems.

If your family is planning to build or remodel, investigate the advantages of electric heating. Step up to a better way of living — electrically!

SAKANTCHA KETCHUM

By L.S. (Doc) Elliott

What is good for one is bad for the other, that is according to the weather. The rainy and cold weather has been ideal for fishing and hunting doves and geese. The colder it is, the faster and better the birds fly. Some nice kills of geese have been made out in the marshes while dove hunting has been better during the second season.

Everyone is talking about the speckle trout that are being caught up Jordan River and at other places. They are striking well and are of good size. Trolling and casting are bringing best results.

Baits used most are those like Merlure, Bingo, Mighty Mite, Shag Rig, Speck-A-Go Go and what have you. A plug with a popping bug trailer in a real effective bait.

Bass (Green Trout) are being caught by trolling, fly rod and casting. They are hitting mostly on under water baits.

Some good kills of squirrels and rabbits are being made by those who prefer that kind of hunting.

Among those who have been enjoying trolling for speckles are Ben Hiles, 'Push' Gax, Fred and Ray Garner, Alden Mauffray, Al Mercier, Mr. and Mrs. Raoul Teihard, Pat Garcia, Ted Reboul, Yours Truly and plenty of others.

W. E. (Bill) Fillinjin, Jr., retired L&N Claim Agent, and his fishing buddies Oscar Benfield, and J.K. Hooker, caught 39 nice speckles while trolling from Bill's camp up Bayou La Croix. Bill is another of us old timers when it comes to fishing.

Manuel Poyadou is one of our young fishermen and hunters. Manuel gets his share of fish and game.

Mr. and Mrs. Walter S. Taddock are another husband and wife team of fishermen. They own a home in Shoreline Park and use it year 'round. Don't worry, they catch their share of the finny tribe. See you later, folks.

Gid Stanton of Pass Christian loves to play golf. He's at it all the time. Gid is not a bad player, either.

Run into another couple Mr. and Mrs. Max Gianelloni. Think their main sports are watching football games and cooking hamburgers for the church fair. We know they can cook.

Willard Peterson was too busy grinding sugar cane to go hunting over the weekend. That old syrup he makes is out of this world when eating batter cakes while camping.

One couple who has always gone hunting, fishing and golfing is Norman Renshaw and the misses. They killed their share of doves over the weekend.

Alden Mauffray and Yours Truly caught a swell bunch of specks up Jordan River. Landed most of them on the Shad Rig.

Harold Zimmerman is back to his old tricks, hunting and fishing. Good for sore eyes when we saw him in the woods over the weekend. We think he loves quail hunting best.

Lee Coster is doing O.K. after another trip to the hospital. Best of luck, fellow.

Norman Benigno should start dove hunting soon. All work and no play makes 'Jack' a dull boy.

Sam Benigno says, you get 'em and I'll eat 'em. Good philosophy, Sam.

'Tudy' Noto has gotten a bunch of new baits. Green trout had better look out. He'll be after them.

Luke and Sue Elliott were down from Baton Rouge. Luke got his share of doves and fish while here.

Sam Meyers took a couple of hours off to go fishing. Sam caught some green trout and perch. Better than picking up pecans, he said.

Capt. Jake Maley, Manager of Bayou La Croix Marina has been catching his share of specimens. Good to know Capt. He gives good tips as to where to catch fish. Rents boats, motors, etc.

Just remember when you can't hook fish that the mighty oak was once a nut like you.

If you don't see your picture in Kantha Kotchum, be patient, your turn will come.

Son Taconi tells that he is still catching soft crabs in his traps. He sighted a few flocks or birds the other day.

When passing other boats, slow down. Other people like to fish, too.

A good number of ribbon fish and oyster fish are being caught most anywhere while still fishing. Both are ugly creatures and good for nothing.

Tips to casters: Bass are hitting long rubber worms just now. Cast out and let the worm go to bottom, retrieve slowly. Saw some caught by this method.

CHARLES MATHERNE tackle for St. Stanislaus is shown in practice for last week's game with Notre Dame.

Your first thought is
that Chevy is a good looking pickup...

1/2-ton Fleetside pickup

Here are some second thoughts:

work truck

second car

camper

We could add hobby

hauler to the list. Chevy

trucks are great for rock

hounding. Collecting an-

tiques. Etcetera.

The point is: They're as

versatile as anything on the

road. Or off. Especially,

four-wheel drive versions.

They go anywhere.

Wherever you go, you go

in style. Sleek front end

features a new aluminum grille.

In back, there's a new 8 1/2-ft.

box on some models. Great

for big campers.

Great under the hood,

too. Six or V8. Standard on

V8 models is a big 307

cubic-inch.

Join Hands In Support Of Needed Improvements
In YOUR School District

Questions and Answers

Q. Describe the proposed school improvements.

A. (1) The new elementary school for YOUR school district is to be located just off of Old Spanish Trail on St. Joseph Street. Students living near this location in grades 1 - 6 will attend school there. This will relieve the crowded and acute conditions at both the NORTH BAY and WAVELAND ELEMENTARY SCHOOLS. This new elementary school will give YOUR school district the needed extra classrooms that we are in desperate need of at this time. Estimated cost of this project \$442,000.

(2) Renovations and Additions to the JUNIOR HIGH SCHOOL. This will include enlarging the cafeteria for extra feeding space for students to relieve overcrowded conditions, a new kitchen with modern equipment to meet health standards, new flooring and new seats for auditorium, and the cleaning of the entire exterior of the building. This renovation will save us money by being able to use this building for several more years. Estimated cost of this project \$68,000.

(3) Dressing Rooms and Public Restroom facilities at the athletic field. These dressing room facilities will be used for all sports, baseball, football, track and tennis. These facilities have been desperately needed for several years. Estimated cost of this project \$50,000.

Q. What will be the entire cost based on the architect's and engineer's estimate?

A. \$442,000 - new elementary school for YOUR school district
68,000 - renovation of Junior High School in YOUR school district
50,000 - dressing rooms and restroom facilities at athletic field
\$560,000
- 85,000 (STATE AII)
\$475,000 Estimated cost of ENTIRE SCHOOL IMPROVEMENTS

Q. What will this cost the VOTERS of this school district?

A. NON-PROPERTY OWNERS will not pay any additional taxes. ONLY PROPERTY OWNERS will pay for these improvements.

Q. What will these improvements cost the average HOMEOWNER in MILLS?

A. 6 MILLS WERE PAID BY YOU FOR SCHOOL BOND INDEBTEDNESS IN 1968
- 1½ MILLS TO BE DEDUCTED IN 1969 FROM PREVIOUS YEAR
4½ MILLS TO BE PAID BY PROPERTY OWNERS IN 1969
+ 2 MILLS TO BE ADDED BACK FOR PRESENT NEEDED SCHOOL IMPROVEMENTS
6½ MILLS TO BE PAID IN 1970

Therefore, this is (½) MILL or 50¢ more per \$1,000 assessment you will pay in 1970 in relation to amount you paid in 1968.

ACTUAL COST IN MONEY

50¢ - per year per \$1,000 assessment

1.00 - per year per \$2,000 assessment (average homeowner will pay \$1.00 more in 1970 because \$2,000 is the average home assessment in school district)

1.50 - per year per \$3,000 assessment

REMEMBER: This is YOUR school district. This small additional cost will hurt no property owner but will provide the necessary improvements that YOUR schools are in dire need of at this time.
